

**REMARKS**

Claims 1-9 have been canceled. Claims 10, 12-16, 18-23 and 27 remain pending in this application.

**I. Rejection of Claims 1-9**

Claims 1 and 24 stand rejected under Section 103 as being unpatentable over Lee et al. This rejection is now moot in light of the cancellation of Claims 1-9.

**II. Allowed Claims**

The office action states that Claims 10, 12-16, 18-23, 27 and 28 are allowed. It should be noted that Claim 28 should not be included in this list of allowed claims because it was canceled in Applicant's Amendment dated March 16, 2004. Therefore, 10, 12-16, 18-23 and 27 are allowed and remain pending in this application.

**III. Conclusion**

Applicant submits that claims, as amended, are fully allowable. In view of the above, Applicants submit that pending Claims are now in condition for allowance. Reconsideration of the Rejections and Objections are requested. Allowance of Claims 10, 12-16, 18-23 and 27 at an early date is solicited.

If an extension of time is required for timely submission of this response, Applicant hereby petitions for an appropriate extension of time and the Office is authorized to charge Deposit Account 02-0900 for the appropriate additional fees in connection with the filing of this response.

The Examiner is invited to telephone the undersigned should any questions arise.
